Dear Ms. Muhlrad:

You are hereby officially notified that **Montana Datacom, Inc.**, has been certified as a **Woman Owned Business Enterprise (Supplier Only)** by the New York City School Construction Authority (SCA). Your certification will remain in effect until **July 28, 2026**, providing there are no changes in ownership or control of your organization. Any change in address should be reported immediately. Moreover, you must apply for recertification at least sixty (60) days prior to the above expiration date.

From time to time, the SCA may examine facts concerning your continuing eligibility. In that regard, as a condition of your certification, you have consented to examination of your books and records and interviews with your principals and employees for the purpose of such examination and to the revocation of your certification if such examination or interviews are denied.

Please note all firms must be prequalified prior to doing business with the SCA.
